Parking spaces allocated to each unit are for the use of daily parking and not to be used as storage e.g. for cars, caravans, skips, building materials etc, except with the landlord's prior agreement. Tenants are not permitted to sublet or verbally agree to the use of their parking by a third party without the landlord's consent.

Ilton Estates / EF & CJ Dunn reserve the right to have any vehicles or items out of lease terms without written or verbal agreement removed from the estate, at tenants own cost. Prior notice will be given.

The hatched area is either roadway which must be kept clear at all times or overflow parking for use at the landlord's discretion.
